Ollie Purkiss

Leading the fight against Conservatives' hard Brexit

“The election on 8th June is your chance to change the country.”

A disastrous hard Brexit will hit people across the country, with the poorest hit hardest. We need to protect jobs by keeping the market open and have a real alternative to the Conservatives' hard Brexit.

Only the Liberal Democrats are challenging the Conservatives over their hard Brexit.

Only a Liberal Democrat vote can get us out of Brexit. ”

Ollie Purkiss and the Liberal Democrats are providing the only opposition to the Conservatives' damaging hard Brexit plans.

Supporting our doctors, nurses, and carers

The Liberal Democrats are the national party that supports real investment in our health services. Our manifesto calls for £6bn more funding for the NHS and Social Care, paid for by 1p in the pound on income tax.

Here in South West Surrey, Ollie Purkiss will be fighting for you on all these issues - for our junior doctors, for our nurses, and for social care in particular.

Help Ollie Purkiss stop a hard Brexit

The Liberal Democrats are leading the campaign against the Conservatives' hard Brexit. Only a vote for a Lib Dem in our area can challenge the damaging 'hard' Brexit that will hit jobs.

OLLIE PURKISS - THE STRONG VOICE FOR US

Fighting against Hard Brexit

Liberal Democrats are the only party that has always fought for Britain's membership of the European Union, and that's why we are fighting for you to have your say on the final Brexit deal.

Standing up for the NHS

We know we need additional investment in health and care services as a matter of urgency. The Liberal Democrats would give the NHS an extra £6bn investment it needs for mental health and social care.

Opposing school cuts

Local schools are under threat from a Conservative Party that has stopped listening to local people in South West Surrey. Schools in Surrey are set to lose **£37 million** from their budgets by 2020.
